Skills

- Camerawork with the NX5U, Blackmagic Ursa, and Blackmagic Ursa Mini.
- Audio work with the Zoom H4n handheld recorder, boom microphones, Shure handheld mics, and various others.
- Editing with Adobe Premiere Pro, Audition, and After Effects; DaVinci Resolve; and Audacity.
- Production essentials like scouting talent, creating music playlists, studying scripts, and communicating effectively with film commissions in different states and cities.

Education

University of Central Missouri

B.S. in Digital Media Production, December 2021

Experience

Internship, Rock Creek Productions | May 2021 – December 2021

- Mock producer for an upcoming film.
- Create a music playlist for the script.
- Communicate with 3 different film commissions in Texas.
- Create a shooting schedule with Scenechronize.
- Put together a cast list for 50 different characters.
- Find fitting outfits for said cast.

Hereford House | August 2019 – current

- Successfully serve 50-100 guests per shift with high end meals and even better service.
- Resolve all guest complaints with a 100% success rate.
- Maintain quality dinner experiences for every table.

Worlds of Fun | May 2014 – September 2017

- Operate up to 20 different ride attractions each shift.
- Check locks and safety systems for more than 500 guests each day when they get on the rides.
- Work up to 7 days a week.
- Ensure a fun and interesting amusement park experience for each guest.

Highlights

- Leadership in every position.
- Excellent work, even under intense situations.
- Working both with others and alone is no problem.
